

PRESERVING OUR HISTORY BRICK BY BRICK

The Strawn Historical Museum offers engraved bricks to individuals, groups, clubs, and businesses as a fundraiser and a way to remember Strawn's founders, pioneers, and past and present citizens. Memorial bricks have been placed in a circular pattern in front of the museum, and additional bricks can be added at any time.

A brick may be purchased either "in honor of" or "in memory of" a designated person(s) or group. Please help us preserve our history and support the future of our Museum by ordering a memorial brick. An order form is provided below.
